- Travel on Wagon Road and turn left onto Indiana Creek Road (FDR 593). When you come to the fork in the road bear to the left and continue on Indiana Creek Road. When the paved road ends, this will be the beginning of the OHV portion of Indiana Creek Road.

Trail Highlights:

- Indiana Creek Road is a pleasant road up to Boreas Pass Road (County Road 10), which can then take you back toward Breckenridge (left) or over Boreas Pass to Como in Park County (right).
- You can also travel to the old mining town of Dyersville and the Warriors Mark Mine. Travel approximately 1.3 miles from the beginning of the unpaved portion of Indiana Creek Road and bear right on the road to Dyersville (FDR 597). Dyersville is approximately 0.2 miles on the left. The Warriors Mark mine is another 0.1 miles further. Turn left and the mine will be straight ahead. *Please be careful around Dyersville and the Warriors Mark Mine.*
- Another popular route involves making a loop from Indiana Creek Road to Pennsylvania Creek Road (FDR 611) which will take you back down to HWY 9. Turn right on Pennsylvania Creek Road after traveling approximately 0.5 mile on the dirt portion of Indiana Creek Road. Follow Pennsylvania Creek Road for 5 miles to HWY 9 and turn right to return to the beginning of Indiana Creek Road.
